ROUTINE NOTES.

Comptroller's letter No.191/G.A.D. dated 6th October 1921, objecting to my duty allowances for the period I was on privilege leave is herewith put up.

C

2 I was Assistant Secretary to Government and also Ex-officio- Secretary to the Board of Agriculture, when I applied for, and the Government sanctioned and notified my privilege leave. ( Vide Notification No. 2540/ C.B.265-20-2 dated 27th June 1921.)

B

3 In the month of July, the Comptroller's Office admitted my claims to the duty allowances, but when I sent in my pay bill for August I was told that I could not get the duty allowances and that I had also to refund the money I had drawn on this account for July.

4. But when I represented the matter personally to the then Offg. Comptroller he allowed me the duty allowances for the Secretaryship of the Board of Agriculture on the ground that that office

office had not been abolished but would not pass the allowance attached to the office of the Assistant Secretary to Government.

5. The Comptroller's point was that the office of the Assistant Secretary, Agricultural ~~Department~~, was abolished and hence I could not draw any duty allowance.

6. But I beg to submit that Government have not notified me as Assistant Secretary, Agricultural ~~Department~~, but only as Assistant Secretary to Government.

7 If in the course of retrenchments, one Assistant Secretary's Post is abolished, it does not necessarily mean that I should be penalized. Moreover, the duties I was performing, as Assistant Secretary, Agriculture, still continue although some other Assistant Secretary is looking after the Agricultural papers in addition to his own

C.B. File No. 2, of 1921-22

Serial No.

I submit a further representation for the favourable consideration of Government in the matter of the refund of duty allowances drawn by me during my last privilege leave.

The Comptroller's objection is based on the existing orders of Government abolishing the appointment of Assistant Secretary to Government from 1st July 1921.

My prayer is, that the abolition of the appointment may be considered to have effect from the date of the expiry of my leave. The request is not unreasonable as the Comptroller himself refers to it and the Financial Department has no objection to the ~~said~~ proposal being sanctioned.

I beg to point out in this connection that a similar arrangement was made in respect of the abolition of the office of the Game Preserve Officer which was ordered to take effect on the expiry of the privilege leave granted to Mr. Muthiah.

The Comptroller permitted in the first instance the duty allowance now under objection to be drawn by me and it will be hard lines if I am asked to refund the allowances thus drawn.

For the above reasons I respectfully pray that the appointment which I held prior to going on leave may be considered to have been abolished only on the expiry of my leave.
